

DIAMOND JUBILEE COLOURING BOOK

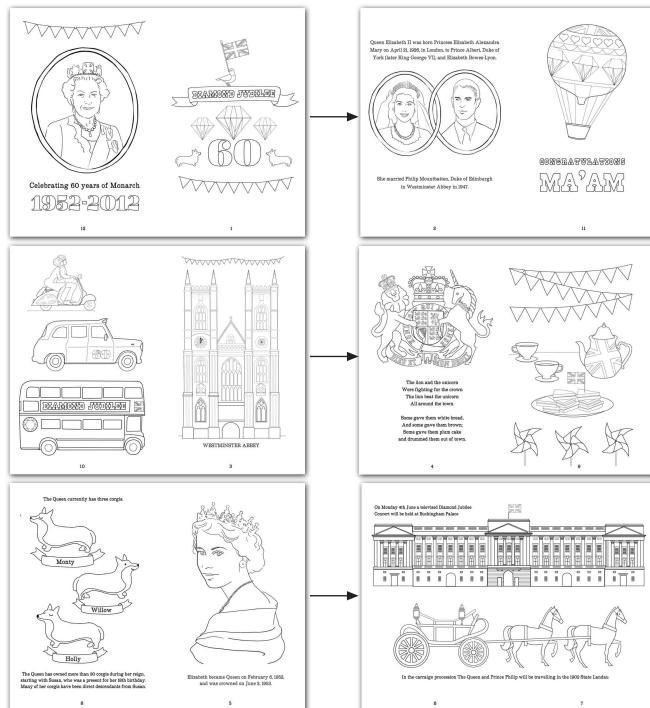

by **happythought**[®]

Printing:

First, print the file called 'cover'. Once it is printed, flip the page over long ways, re-feed the page into your printer and print 'inside cover' onto the reverse.

Next print 'colouring-book-file'. Now flip these 3 pages and re-feed into the printer, printing 'colouring-book-file2' on the reverse, as shown below.

Binding:

You can bind your book with staples, a pretty ribbon, or a few stitches with a needle and thread.
